

Little River Rail Trail Passport Project

Terms and conditions

- School students in Christchurch and Selwyn Districts can participate
- Children under 13 years need to be supervised by an adult while biking
- If the school student completes two sections of the Little River Rail Trail by bike, they are eligible to receive one single scoop Tip Top ice cream from the Little River Café and **Store** during opening hours
- Offer expires 30 June 2028
- To show that they have completed two sections, they need to “punch” any two of the four locations shown on the Passport, with an orange orienteering puncher that is attached at each location. Each puncher is unique. These locations are:
 - Te Pae o Ahuriri – Shelter (the pole in middle of front of shelter)
 - Motukārara Station – Bike Rack (white rack opposite the railway carriage)
 - Kaituna Quarry – Bike Rack (near the picnic table)
 - Little River Café and Store – Bike Rack (the third rack)
- Once the school student has punched two of the locations on the passport, they take this to the Store part of Little River Café and Store at any time during opening hours to redeem the ice cream. The student gives the passport to the person at the cash register, and they will pass that onto the Rod Donald Banks Peninsula Trust who will pay the Store back for the ice creams.
- If the school student would like to keep the passport so they can punch more locations this is fine. In this case, they can just show it to the person at the cash register. However, the student gets the ice cream the first time only. They can also punch three or four locations and will still receive one ice cream.
- The passport has an area where the school student can write their name, age and school. This is not compulsory!
- We collect your name, age, and school solely to understand our community and provide a better experience, and we will never share your private information with third parties.
